

# IMC Clubs - Mastering the Art of Instrument Navigation

The IMC Clubs concept is to bring together IFR-rated pilots who fly in real-world "actual IFR" and provide them an opportunity to share stories, network with the larger pilot community, and gain valuable insights and tips for their IFR flying - [www.IMCclubs.org](http://www.IMCclubs.org)

**Directions:** We meet in the conference Room - Ask at front desk for directions.

## A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
